

**ROCKY MOUNTAIN  
FAMILY THERAPY NETWORK**

## **The August Newsletter is Here!**

### **New format. New content. New ways to connect!**

Welcome to the new and improved RMFTN Newsletter!

The newsletter will now be sent out on the 5<sup>th</sup> of the month, every month. In this issue, and every issue going forward, you will find new content, such as a Members Corner where you are invited to submit articles. Another new feature is a calendar that shows upcoming events including the monthly meeting that we would love to have you join. One last feature is a survey. We, as a leadership team, want your opinion! Every month you will have a chance to voice your opinion and/or give suggestions.

Be watching- there might be something new each month!

We hope you enjoy the newsletter, and we look forward to connecting with you!

Chery Beauprez

Secretary, RMFTN

## Member's Corner

Mr. Satterfield writes an interesting article discussing Post Traumatic Stress in our active and retired military population.
